Plaintiffs,
United States of America,
Plaintiff-Intervenor,
v.
Tucson Unified School District No. One, et al.,
Defendants.

CV 74-90 TUC DCB
(lead case)

ORDER

CV 74-204 TUC DCB
(consolidated case)

1 Pursuant to the Parties' stipulation and by agreement of the Special Master, the
2 Parties seek an extension of time to file the Unitary Status Plan (USP). They agree that there
3 are substantial areas of agreement regarding the Unitary Status Plan which can be addressed
4 by Consent Decree. The extension of time is necessary to draft the Consent Decree–Unitary
5 Status Plan and to prepare a single document identifying any remaining areas of
6 disagreement including the Parties' positions and/or objections with respect to those areas.
7 The Parties agree to make a good faith effort to reach agreement on as many areas of the USP
8 as possible. The Court finds good cause to extend the deadlines for filing the USP.

9 **Accordingly,**

10 **IT IS ORDERED** that the Joint Motion for Extension of Time (Doc. 1394) for
11 modification of the Scheduling Order is GRANTED.

12 **IT IS FURTHER ORDERED** that the Special Master shall provide the Parties with
13 the revised version of the proposed Consent Decree–Unitary Status Plan (USP) by
14 **November 1, 2012.**

15 **IT IS FURTHER ORDERED** the Parties shall prepare a Joint Objection, i.e., a
16 single document identifying areas of disagreement and objections to the USP.

17 **IT IS FURTHER ORDERED** that due to the public comment requirements for this
18 case, the Consent Decree-USP and the Joint Objection shall be mailed to translators for
19 translation into Spanish by **November 1, 2012.**

20 **IT IS FURTHER ORDERED** that on **November 9, 2012**, the Consent Decree-USP
21 and the Joint Objection shall be filed with the Court in English and Spanish and
22 simultaneously released to the public.

23 **IT IS FURTHER ORDERED** that by **November 28, 2012**, the State by *amici* shall
24 file any Objection in respect to the issue of Mexican American Studies Department courses,
25 if any such component is included in the USP.
